

ACCOMMODATION PAYMENT AND KEY FEATURES STATEMENT

Welcome to Victoria By The Park.

At Victoria By The Park, residents can choose from 12 different room types. The room a resident chooses determines the Accommodation Payment payable. The Accommodation Payment is in addition to the daily fees (i.e. Basic Fee, Means Tested Care Fee and Extra Service Fee). For more information on daily fees, please see the General Information Statement.

Residents can choose to pay the Accommodation Payment as a refundable deposit, a daily payment, or a combination of both. A Refundable Accommodation Deposit (RAD) is paid as a lump sum amount. A Daily Accommodation Payment (DAP) accrues daily and is paid monthly together with the daily fees. A combination payment includes both a partial lump sum and daily payments.

All of Victoria By The Park's accommodation pricing has been approved by the Aged Care Pricing Commissioner pursuant to section 52G of the *Aged Care Act 1997* (Cth).

Detailed below is information about each room type, including its key features and the Accommodation Payment that is payable. To assist you with understanding a combination payment, we have provided a worked example for each room type.

These areas are used regularly for special facility events.</p> <p>The ground floor also has a central fireplace with attractive mantle and provides an additional sitting area in the lounge. The ground floor lounge room has a grand piano which is played by visiting performers. The hairdressing and beauty salon is also located on the ground floor.</p>
<p>Description of specific accommodation design features of the rooms, and of the facility, to which all residents have access</p>	<p>Each apartment has above-average floor space for a residential aged care setting. There is sufficient space for easy manipulation of furniture/mechanical lifting devices. The generous proportions and floor space of the apartments allow for a sense of belonging and familiarity and also promote residents to personalise their living spaces.</p> <p>Each apartment has a kitchenette with a large bench-space, basin and cabinet storage. The kitchenettes also include decorative and eye-pleasing tiled splash-backs and easy-to-use tap fittings.</p> <p>Each en suite is finished with non-slip tiles, mirrored vanity cabinet and basin with modern fittings. The large showers are fitted with safety rail and some with fold-down shower seat. There is ample room for access to the shower, toilet and vanity with mobility aids.</p> <p>The level site encourages the elderly residents (and their family and friends) to enjoy the landscaped grounds and neighbouring Hopetoun Gardens with walkways designed for wheelchair access.
